The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Washington, D.C. 2051

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **Corboy Supply and Return Fan Replacement Project** in fiscal year 2024. The entity to receive funding for this project is **Loyola University Chicago Corboy Law Center** located at **25 E. Pearson Street Chicago, Illinois 60611**. The funding would be used to **replace 29-year old air handlers and associated components with new, high efficiency equipment**. The project is an appropriate use of taxpayer funds because **it will help reduce energy consumption for Loyola University as it prepares for future decarbonization of campuses. This project is expected to reduce our electric consumption by 900,000 kWh annually, and is one of fourteen energy conservation measures identified in a recent energy audit of the Water Tower Campus where this building is located.**

The project has a Federal nexus because the funding provided is for purposes authorized by **42 U.S.C. 5305(a)(5)**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Quigley  
Member of Congress
